

YOUTH SPORTS SPONSORSHIP PROGRAM

FOOTHILLS AREA YMCA

YMCA youth sports programs promote healthy kids, families, and communities by placing a priority on family involvement, healthy competition, the value of participation over winning, sportsmanship and team building. Parents are encouraged to be more than mere spectators by contributing their time as volunteer coaches, as well as being their child's number one fan. All sports programs are based on our YMCA values of caring, honesty, respect, and responsibility and place a priority on family involvement, healthy competition, fair play, improving sports skills and creating a positive self-image.

Each year we offer youth sports leagues where businesses and fans can support teams with sponsorships. When you sponsor YMCA youth sports, you help the Y keep fees affordable and ensure that families who need a little extra financial assistance to participate can PLAY with the help of a YMCA scholarship.
